Each mission team member is encouraged to raise support for their trip.

Team members are responsible for raising the full amount needed. All donations will be collected by Redeemer and accounting for each team member will be updated and given to you as donations come in.

A Note About Airfare:

Redeemer would like to purchase airfare at one time together so we can all be on the same flight. If you prefer to take care of booking yourself, using points or vouchers, please check with Shannon on preferred arrival time into Dublin so we can travel to Youghal together on Saturday.

A Note About Passports:

We cannot book airfare to Ireland without your passport number. If you are even remotely considering this trip, we encourage you to go ahead and book your passport appointment so we can book flights in February together. You might not be on the same flight as the team if you do not have your passport number in February.

Next Steps:

1) **Pray** about joining us.

2) **Commit** to joining us.

The deadline to commit to this trip is **Monday, February 5, 2024.**

A **\$1000 deposit** along with the **commitment form** is due by commitment date. After Monday, February 5th the deposit is non-refundable due to purchase of airline tickets and lodging reservations being made immediately following the commitment deadline to lock in the early price discounts.

3) **Attend** planning meetings.

We will have approximately 3-4 mission trip planning meetings this fall and spring (dates TBD). We will communicate those as soon as possible.

4) **Raise** your support.

Send fundraising letters as soon as you have committed to the trip. **All balances are due by June 29, 2024. Any funds not raised by support will be the responsibility of the traveler.**

Friends,

Over the past couple of years I have developed a series of relationships with pastors and missions leaders in Ireland. These relationships were in connection with the publication of my book on the first Irish Baptist church planter. *What began as an academic conversation evolved into a missions conversation.* Even though Ireland has a long storied Catholic history, like the rest of western Europe it is increasingly a secular nation. Further, it needs more churches committed to teaching the Bible as well as clearly explaining the gospel is by grace through faith. As a result, evangelical missions organizations believe ***Ireland is possibly the least reached English speaking country in the world!*** Therefore, our church is seeking to develop a long-term church planting partnership with the Association of Irish Baptist Churches. We will be working with Pastor Paul MacFarland and Youghal Baptist Church to share the gospel through a **basketball camp** and **Bible clubs**. We believe this is a strategic opportunity in an area that needs more churches proclaiming the gospel of grace. ***If you feel led to support our trip, please reference the "Ways to Support" instructions.*** If you feel led to pray for our team please email me at Micah@RedeemerDenton.com.

In His Grace
